

NOTICE TO VILLAGE RESIDENTS

With Spring arriving and many of you being home due to the COVID-19 Restrictions, some of you may be thinking of obtaining pets or other animals to occupy your free time.

Village ordinances regulate the possession of many animals within the Village.

Village ordinance 6.21 (2)(c) regulates possession of certain animals, fowl, reptiles, insects and farm animals with the Village limits.

No person shall bring into, keep or maintain in the Village any bees, wasps, hornets, poisonous snakes, horses, mules, ponies, donkeys, cattle, swine, goats, sheep, chickens, ducks, geese, rabbits [more than four (4)], or any animal being raised for furbearing purposes or other wild animals unless otherwise permitted elsewhere in this Code of Ordinances.

If you have any questions regarding what is allowed, please contact me.
